PRESIDENT NOTE

Happy New Year! I hope everyone had a great, safe celebration. From the reports, it looks as though the New Year's Day ride was a great success. Thanks to all who led and came out to kick off the year. **Please note that we still have multiple board positions open for the 2022 season.** I urge you to consider looking at the list to see if you can help. We cannot run our club without volunteers, and these positions are a great way to keep the club running smoothly while giving back. Our board meeting specifics are at the top of this weekly - come join us.

2022 New Year's Day Ride

Thank you to everyone who joined the ride! It was an amazing way to kick off the new year! We had about 40 riders and it was so much fun to see familiar faces as well as meet new people. The ride leaders led us out with a good pace and after the rest stop the strong riders came to the front. Kudos to Matt Durand, Reed, and the others that pulled the group even when the headwinds were fierce. Hiro Kobayashi posted this on Strava:

"Thank you SDBC for hosting this great ride Great group, great cyclists, great leaders, and great start of 2022!"
