PRESIDENT'S MESSAGE

Women's History Month is a celebration of women's contributions to history, culture and society and has been observed annually in the month of March in the United States since 1987. Let's be sure we join in this celebration and honor the women in our community and beyond who have made significant contributions (there are many in the cycling community!).

Given what is happening in Ukraine, I've asked our Community Engagement Director, Bill Riggs, to help me dedicate a Saturday ride to the people of the Ukraine, which will include a fundraiser. More information will follow soon.

Cheers,
Vali Holroyd

Women's History Month

In December 2021, the six time National Track and Cyclocross Champion, [Christina Birch](#), was selected as a candidate for NASA Astronaut Group 23 program with mission assignments to include trips to the Moon and Mars. Either would make for the ultimate gravel ride...don't you think! Read more about her amazing achievements from this USA Cycling article.

SDBC Member Eric Gillman is passionate about meeting the medical needs of the people of Haiti. After the catastrophic 7.0 earthquake of 2010, he made multiple trips to Haiti to work alongside local Haitians to build the Angel Wings International medical clinic in the remote coastal town of Jacmel. To raise awareness and donations to expand the clinic's medical services, he is riding from Miami to San Diego and hosting speaking events along the way. His trip starts March 17.
