

President's Message

It was great to see so many of you at BLGP! Thank you to everyone who raced and volunteered! A special shout out to **Jerry Marino**, our Executive Race Director, **Bill Branson**, our Volunteer Director and his team, **Deryn LeDuke** and **Fabiola Garcia**, our Title Sponsor, **Josh Bonnici**, and **Physical Therapy Effect** for being in our Racer's Village. Thank you to **Linda Webb** and her registration team, **Barb Trenchi** for the Kid's Rodeo and **Marilyn Detloff** for her help at the race desk! And thank you **Ralph Elliott**, for doing your magic at the announcer's post. All-in-all, it was a wonderful day of racing!

At this month's Board of Director's meeting, I addressed an issue in the "Good of the Club" announcement that I wish to share. Let's take a moment to appreciate that everyone running this club is a volunteer. Everyone donates their time to the club because they enjoy being part of an amazing community. It's easy to forget this when debating issues critical to the club's success, but it is imperative that we keep this in mind and treat everyone with kindness and respect. Let's cultivate a club where everyone feels welcome and safe to share ideas. And let's become ambassadors of good citizenship as well as ambassadors of the sport we love!

Cheers,
Vali Holroyd

To all of the volunteers, thank you so much for all your help at this years' Barrio Logan. We had such a huge group of volunteers, including a lot of people on the day who came and helped out. This race truly could not have happened without the efforts of those who stayed in the sun and on their feet to get everything up and running and tore down at the end of the day.

Deryn, Fabi, and Bill
