

## President's Message

Can you believe that we are almost at mid-year?? I can't! I hope that everyone has a great holiday weekend and gets out to do something fun with friends and family. I won't personally be on the Memorial Day ride, but I hope many of you will be there - have a safe ride!

You will see this multiple times in the coming weeks.... of our 400+ members, we need people to take a step forward and jump into the club leadership. If you have any interest, suggestions, comments or just want to touch base, please reach out to me via email and I will set something up with you. Let's all work together to build a successful future for SDBC!

Cheers,

## San Diego Century 2022

Many SDBC members represented the club at the San Diego Century this past weekend. Our group was just one of many. Initially, the 6:00 am start seemed a bit early but it turned out to be just right given

the way the day unfolded.

Our group supported each other throughout numerous flat tires, a mechanical issue, a bee sting and more. It was pretty crazy. None of us had ever seen so many flats on a century ride, not just with our group, but everyone. Riders started getting flats early in the ride and it continued the rest of the day. At the rest stops it became a common topic of discussion as groups continually leapfrogged each other.

After about six and a half hours of ride time but eight and a half hours total time we pulled into the finish at Mira Costa College happy for the experience...but glad to have it over just the same. Thankfully, we were greeted by an adorable future racer at the end!
