

WEEKLY UPDATE

for members of the
San Diego Bicycle Club

President's Message

While we are enjoying long summer rides, I am making a request to every member to send me names of people who would be progressive, inclusive, and energetic leaders for our club in 2023. I need everyone to send me a suggestion because this is critical for our club's future!

Cheers,
Vali Holroyd

JKC Memorial Hunte Parkway Road Race

This past weekend, many SDBC racers participated in the **JKC Memorial Hunte Parkway Road Race**. Julius Kim Cunanan, was a cherished member of the South Bay cycling community. Many of us were fortunate to have met him when he would join the SDBC rides and through racing. Tragically, he passed away the morning of January 10, 2021 during one of his favorite Sunday morning group rides. Julius was a co-founder of Padyak Racing Team (PRT), a local nonprofit organization dedicated to the sport of bicycle racing and sometimes called South Bay's friendliest bicycle racing team.

Giro di San Diego 2022

SDBC was well represented at the Giro di San Diego on Saturday. The ride up and down Palomar was beautiful and the roads were pretty good. Unfortunately, fighting the heat wave was the main challenge. It was 92 degrees at the top of Palomar by 11:00. While fighting heat cramps, I learned the awesome thing about riding with friends is having their support when you are suffering. Click the pictures to visit a couple of their Strava summaries.
