President's Message

Josh Bonnici is resurrecting the Borrego Springs ride! The first IG post already went out and registration is open. See the details below and register before it fills up.

We are also resurrecting the Volunteer Appreciation Celebration and hope to have that in October. If you have helped out at any SDBC event, you are invited! More information to follow soon.

Last, but never least, we will have nominations and elections for the board of directors soon. It's been my honor to serve as club president. I need to pass this office to someone who is passionate about SDBC, our riding community in San Diego, bringing new, progressive ideas into the club while honoring how we got here, and has a great sense of humor and lots of energy. If you think you might be a good fit, or if you want to whisper a name to me and let me do the rest, please contact me!

Cheers,

Vali Holroyd
