

### President's Message

Happy week before Thanksgiving. Lots going on at SDBC this time of the year...

- We have our SDBC/MGE Racing Turkey Ride & Hunt To Elfin Forest.
   Thursday, November 24, 2022, leaving UCC at 8:30 and returning around 1pm. This is a 60-mile fun ride!! Turkey Ride
- Wednesday, December 7th from 5:30pm to 8:30pm will be our annual Club and Fit Kit Night. You will have a chance to try on Pactimo Fit Kit to see what size you will order this year! We will also have several sponsors, and rumor has it that there will be a few prizes. The gathering will be in our regular meeting space, on the bottom floor of the La Jolla Village Square mall, next to Core Power Yoga.
- If you were a 2021 annual award winner, please bring your trophy to Club Night. If you cannot make it, please email Jerry Marino (treasurer@sdbc.org) to arrange getting it to him. We absolutely need these no later than December 15th.
- Our annual meeting will be held on December 13th at 6:30. I highly recommend that all members join this meeting to vote in your 2023 SDBC Board of Directors. The Zoom information will be distributed the week prior to the meeting in the newsletter.
- Our Holiday Toy Ride will be on Saturday, December 10th. More specific information will follow, but save that date.
- Finally, on December 25th, there will be the Annual Christmas Day Orphan Ride. It starts at 8:30 at Ralph's house - 1058 22nd Street San Diego, CA. There is a full description on our website here: Orphan Ride

Last, but not least, I've asked multiple times this year to be sure we are treating our fellow members with respect and kindness while recognizing the fact that we are all a part of the same great club. I trust that whomever is voted into this role for 2023 will request the same of all of us.

Cheers,
Vali Holroyd

## SDBC Team Recruitment Ride

We will be hosting our next team ride on Saturday, 11/26. Tough timing with the Thanksgiving holiday, but please join us if you can spare a long morning away from the fam. This is ride 2 (of 3) in our "recruitment" series, so please invite any friends that are racing-curious so we can grow our team!

See below for a link to the ride description. It is an extended SDBC type loop with an extra loop through Elfin Forest, **starting and ending in Mission Bay** for 74 miles total. For riders on a time constraint, or who otherwise aren't interested in going as big, we can split off at Del Dios Hwy and take a smaller loop back.

Meetup time around 8 for coffee, **ride starts at 8:30**. The last ride of the series will be on 12/17, and will likely be a modified Great Western Loop. So mark your calendars!
