

Dear all,

Happy New Year to those of you I've not spoken with yet. We are working on the budget for 2024, and would like a little more time to finalized the number with each of the BoD responsibilities areas. **We will move the Jan meeting from next Tuesday (1/9) to the following Tuesday (1/16) i.e. a 1 week delay.** This means we can review and approve the budget in the January meeting, having had time to properly set it in discussion with all Directors.

Thanks for your understanding,

Cheers!

Important Message from Simon

Good evening Directors,

This Saturday morning we're updating our authorized signers card for our accounts at Wells Fargo. We're removing old names and adding Michael Karres' and mine. Wells Fargo requires us to produce approved minutes of the meeting in which we were elected officers, in this case, the December minutes of the annual Meeting of the Members.

To do that we have to get your approval by **Friday (tomorrow) evening**. Our by-laws give us the flexibility to vote by email.

The minutes of the December 12, 2023 meeting are attached. Michael is making the motion / seconded by Jerry.

Please vote on the motion to approve the Dec meeting minutes by 9 p.m. Friday (1/5) by replying to the email; Yay, Nay, or Abstain.

IMPORTANT: Our by-laws require we take a live vote at the next meeting of the Board on actions taken by email ballot . If needed, we can make corrections at that time.

Thanks, and apologies for the pressing timescale on this one.

Simon

CAFÉ LaTERRE

— FOR THE LOVE OF COFFEE —

Good Afternoon –

"If you have ordered the cargo bibs and they have white mesh pockets on the back, please reach out to the clothing director for a replacement pair, as this was an error in the manufacturing process."

I just wanted to clarify that the only item impacted was the cargo bibs (which is only a few orders). Thanks!
