

Dear all,

April 13th is FITT #2. The course is flat and entirely on a closed road, making it ideal for achieving fast times.

Registration

Participants can register online through the event's **official website** or on the day of the event, depending on availability. The Fiesta Island Time Trial is a well-organized and popular cycling event that offers cyclists an opportunity to test their speed and fitness in a competitive setting. Whether you're a seasoned racer or a beginner looking to challenge yourself, the Fiesta Island Time Trial is a great event to participate in or spectate.
